

## Errata

In “Adaptive Line Enhancers for Fast Acquisition” by H.-G. Yeh and T. M. Nguyen, which appeared in *The Telecommunications and Data Acquisition Progress Report 42-119, July–September 1994*, November 15, 1994, the plot in Fig. 14 was incorrectly situated. The correct figure is provided below.

**Fig. 14. Magnitude of the input data to the ALE, ALEDF, AND ALECA.**
